The bake-off may be given a theme (for example, the 2017 final had a 'royal theme' to mark Her Majesty The Queen's 90<sup>th</sup> birthday); details will be confirmed with the finalists following the shortlisting.

The criteria for the final are as follows:

- Presentation and quality of food

### Eat Out Eat Well

In partnership with Northamptonshire County Council and Environmental Health Northamptonshire, the Carlsberg UK Northamptonshire Food and Drink Awards are supporting Eat Out Eat Well (EOEW) – an award scheme which has been developed to reward caterers who make it easier for their customers to make healthy choices when eating out. The level of award is based on a scoring system that takes into account the type of food on offer, cooking methods and how it is marketed and promoted to customers.

There are 3 levels – bronze, silver, gold and platinum. The higher the score, the higher the level of award. To qualify for a gold or platinum award, key members of staff need accredited/recognised training in nutrition. More details are available by visiting [www.eatouteatwell.org](http://www.eatouteatwell.org)

All shortlisted finalists in this category of the Carlsberg UK NF&DA 2017/18 will be required to participate in EOEW; the process involves an assessment visit by the relevant local Environmental Health Officer (lasting approximately 45-60 mins). The appropriate EOEW level will be awarded, giving finalists the further opportunity to promote their success in this partner scheme.

Please note, a finalist's level of attainment within EOEW does not affect its status within the Carlsberg UK Northamptonshire Food and Drink Awards.

The closing date for entries is 19<sup>th</sup> June
