## New Local Drink of the Year

### Entry

Entries will be verified by the organizers to ensure compliance with the Terms and Conditions, and with the spirit of the Awards. Organizers will use their best efforts to assist all entrants to comply with the Terms and Conditions but cannot be held responsible if for any reason an entry has to be disqualified or rejected.

Details of entries will be passed to Northamptonshire County Council's Trading Standards Department and the relevant Borough Council's Environmental Health Department to disclose to the organizers and judges any relevant significant history, complaints, or breaches of relevant Regulations or law. The organizers will determine what action to take as a result of any such disclosure.

### Shortlisting

A panel of local judges will select 4 to 6 finalists. The panel will make its decision based on the entry the following criteria:-

- **Taste, aroma and visual appeal**
- **Traceability and origin**, including:-
  - is it made using local ingredients wherever possible, and is that evidenced?
  - is the Northamptonshire origin of the drink mentioned / celebrated on the packaging / advertising?
- **Promotion**, including:-
  - promotion of the drink,
  - appearance and presentation,
  - packaging, including labelling,
  - value for money
- **Innovation** including:-
  - uniqueness, special interest, and anything which makes the drink stand out
- **Compliance** including:-
  - Any advice received from Northamptonshire County Council's Trading Standards Department and the relevant Borough Council's Environmental Health Department

Each entrant will then be advised whether they have been selected as a finalist.

### Expert Panel

Our expert, external, judges will taste and rate the samples. Those scores and the results of the previous judging will be used to determine a winner and runner-up (or runners-up). In the event of any tie, the result of the public tastings may also be taken into account.

The organizers and judges will use the following guideline marking scheme:-

Taste and aroma	50%	Promotion	15%
Traceability and origin	30%	Innovation	5%
